Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The Doctoral Psychology Internship in Health Service Psychology at The Baker Center for Children and Families currently offers 2 full-time internship positions. The Internship faculty bases its selection process on the entire application package submitted through AAPI, and applicants should have the following minimum criteria completed prior to applying.

- A minimum of 400 intervention hours;
- A minimum of 200 assessment hours;
- Comprehensive or qualifying exam passed;
- Dissertation proposal approved;
- Prior practicum experience in psychological intervention and assessment with children or adolescents;
- Prior practicum experience in psychological outpatient or school-based service delivery with children or adolescents.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	X Yes	No	Amount: 400
Total Direct Contact Assessment Hours	X Yes	No	Amount: 200

Describe any other required minimum criteria used to screen applicants:

Applicants must be currently enrolled and in good standing in an APA- or CPA-accredited doctoral program.

<p>Other Benefits (please describe):</p> <p>In addition to the annual personal time off and sick leave, interns receive 14 holidays annually. Three of the intern's sick days may be used for professional days off (e.g., job interviews, dissertation work or defense, graduate school graduations, and attendance at conferences).</p> <p>For illness and family-related issues that result in an intern being absent from the internship, interns must first use their 10 sick days. After seven consecutive days of absence from work for medical reasons, medical documentation from a health care provider is required to verify that the intern is unable to return to work. An intern may request Family or Medical Leave any time after the 10 sick days are exhausted and no later than the date on which all sick days and vacation days are exhausted. Medical and Family Leave is not covered by the intern stipend and provides interns with up to 8 work weeks of leave. Leave and suspension of the stipend may be granted in the following circumstances: serious illness of the appointee; birth, adoption or foster care placement of a child; care of a seriously ill child, stepchild, spouse, parent, parent-in-law, or civil union partner.</p>
